ROAD CLOSURES SUNDAY 24 AUGUST 2025

embley, the home of epic performances, will host a major new 10k run on Sunday 24 August 2025 for up to 12,000 participants. The area surrounding the stadium will be brought to life on the day with live music, innovative entertainment, and activities for participants and supporters to explore post-finish. There will be road closures in your area and we are working with local authorities, TfL and emergency services to minimise disruption. We appreciate the support of the local community and apologise for any inconvenience.

THE COURSE MAP AND AFFECTED ROADS ARE DETAILED IN THIS LEAFLET.

PLEASE NOTE:

- Road closures will be in place from 08:00 and there will be phased re-opening between 10:30 13:00.
- During the closure times no vehicle or bicycle access will be available on roads listed. Side streets may also be affected. If you require your vehicle during closure times, we recommend you park outside of the road closure area.

- Parking suspensions will be in place on the roads marked with **YES** on the road list.
- Advance warning signage of the road closures and any parking suspensions will be installed along the route two weeks prior to the event.
- A number of bus diversions will be in place – please visit www.tfl.gov. uk to plan your journey.
- Emergency services and pedestrian access will be facilitated throughout.
