

ROAD CLOSURES

SUNDAY 11 OCTOBER 2026

On Sunday 11 October 2026 the ASICS LDNX 10K will return to Wembley, the home of epic performances, for up to 10,000 participants. The area surrounding the stadium will be brought to

life on the day with music and entertainment, and activities for participants and supporters to explore post-finish. There will be road closures in your area and we are working with local

authorities, TfL and emergency services to minimise disruption to all road users, and to deliver a safe and enjoyable event. We appreciate the support of the local community and thank you for your understanding.

THE COURSE MAP AND AFFECTED ROADS ARE DETAILED IN THIS LEAFLET.

PLEASE NOTE:

- Road closures will be in place from 05:00 and there will be phased re-opening between 12:00 – 13:00.
- During the closure times no vehicle or bicycle access will be available on roads listed. Side streets may also be affected. If you require your vehicle during closure times, we recommend you park outside of the road closure area.
- To see the route on Google Maps, including entertainment point locations with live music/PA systems, please visit [ldnx.co.uk/road-closures](https://www.ldnx.co.uk/road-closures)
- Parking suspensions will be in place on the roads marked with an asterisk on the road list.
- Advance warning signage of the road closures and any parking suspensions will be installed along the route two weeks prior to the event.
- A number of bus diversions will be in place – please visit www.tfl.gov.uk to plan your journey.
- Emergency services and pedestrian access will be facilitated throughout.
